ANA KAREN RAMIREZ

JR.FRONT-END
DEVELOPER

EDUCATION

BOT CAMP AS FRONT- END DEVELOPER

2019 - 2020 | Laboratoria

ENTREPRENEURIAL DEVELOPMENT AND INNOVATION

2014 - 2018 | Universidad Tecnologica de Jalisco

ADMINISTRATION IN HUMAN RESOURCES

2014 - 2016 | Universidad Tecnologica de Jalisco

EXPERIENCE

2020
2021

JR SUPPORT ANALYST | ASTRAZENECA

-My main role is to support an application that helps to provide analysis and validate the quality of drugs, using SQL for queries and updates.

-Also I'm in another team for RPA, designing the promotions for team releases using Canva to design.

TRAINEE | LABORATORIA

2020
2019

-In Laboratoria I learned front-end development using technologies such as HTML5, CSS3, JavaScript, React, Bootstrap, Firebase, Node.js, and using Git and GitHub for control versions.

-I was working based on user stories and customer requirements using agile methodologies such as SCRUM, agile, Kanban, flow charts.

SALES MANAGER | PRONUA

2019
2018

- I was in charge of the administration of the pet department customers' orders.

- I also carried out the sales analysis of the department for the decision-making of the company.
